## Red Right Hand by Nick Cave & Bad Seeds

rake a little (1) to the edge of town	is a red right hand
Go across the tracks	You ain't got no money?
Where the viaduct looms	He'll get you some
Like a (2) of doom	You ain't got no car? He'll get you one
As it shifts and cracks	You ain't got no self-respect
Where secrets lie in the border fires	You (14) (15) an insect
In the humming wires	Well, (16) buddy, don't you worry
Hey man, you know	Cause here he comes
You're never coming back	Through the ghettos and the barrio
Past the square, (3) the bridge	And the bowery and the slum
Past the mills, past the stacks	A shadow is (17) wherever he stands
On a (4) storm comes	Stacks of green paper in his red right hand
A tall handsome man	You'll see him in your nightmares
In a (5) black coat with	You'll see him in your dreams
A red right hand	He'll (18) out of nowhere
He'll (6) you in his arms	But he ain't what he seems
Tell you that you've been a good boy	You'll see him in your head
He'll rekindle all (7) dreams	On the TV screen
It (8) you a lifetime to destroy	And hey buddy, I'm telling
He'll reach (9) into the hole	You to turn it off
Heal (10) shrinking soul	He's a ghost, he's a god
Hey buddy, you know you're	He's a man, he's a guru
Never ever turning back	You're one microscopic cog
He's a ghost, he's a god	In his catastrophic plan
He's a man, he's a guru	Designed and (19) by his red right hand
They're (11) his name	
Through this (12) land	
But (13) in his coat
