

Fill in the gaps

I'm getting tired of asking	And try to make things right
Is (1) the final time	Cause I'll be ready for a fight
So did I make you happy?	(Yeah)
Cause you cried an ocean	I never wanted everything to end this way
Theres a thousand lies	Take and take the blue sky and turn it grey
About the way you smile	I swore to you that I would do my best to change
Written in my mind	You said it don't matter
But every single words a lie	I'm looking at you from another point of view
I never wanted (2) to end	Don't know how the (6) I (7) in love with
(3) way	you
Take and take the blue sky and turn it grey	I would never wish (8) to feel the way
I swore to you that i would do my best to change	I do
You said it don't matter	I never wanted everything to end this way
I'm looking at you from another point of view	Take and take the (9) sky and turn it grey
Don't know how the hell I'm in love (4) you	I swore to you that I would do my best to change
I (5) never wish anyone to feel the way	You said it don't matter
I do	I'm looking at you from another point of view
Is this a sound from heaven	Don't know how the hell I fell in love (10) you
Showing me the light	I would never wish anyone to feel the way
Was this supposed to happen	I do
I'm better off without you	
So you can leave tonight	
Don't you dare come back
