

Fill in the gaps

I'm (1) (2) of asking	And try to make things right
Is this the final time	Cause I'll be ready for a fight
So did I (3) you happy?	(Yeah)
Cause you cried an ocean	I never (13) to
Theres a thousand lies	end this way
About the way you smile	Take and take the blue sky and (15) it grey
Written in my mind	I (16) to you that I would do my best to change
But every single words a lie	You (17) it don't matter
I (4) wanted (5) to end	I'm (18) at you from another point of view
(6) way	Don't know how the (19) I fell in (20)
Take and take the blue sky and turn it grey	with you
I swore to you that i would do my best to change	I would never (21) anyone to feel the way
You said it don't matter	I do
I'm looking at you from (7) point of view	I never wanted everything to end this way
Don't know how the (8) I'm in love (9)	Take and take the (22) sky and turn it grey
you	I swore to you that I would do my best to change
I would (10) wish anyone to feel the way	You said it don't matter
I do	I'm looking at you (23) another point of view
Is this a sound from heaven	Don't know how the hell I fell in love with you
Showing me the light	I would never (24) to
Was this (11) to happen	(26) the way
I'm better off without you	I do
So you can (12) tonight	
Don't you dare come back
