Fill in the gaps

My Friends Over You by New Found Glory

I'm (1) off ye	our kiss	And I didn't (12) to	
For another night in a row		Lead you on	
This is becoming too routine for me		You (13) (14)	I wanted
But I did not (2)	to lead you on	But I just can't finish (15) I've st	arted
And it's all (3) to pretend		There's no room left here on my back	
That we still talk		It was damaged long ago	
It's just for show, (4)	it	Though you swear that you are true	
It's my fault (5)	it fell apart	I still pick my (16) over y	/ou
Just maybe		My friends (17) you	
You need this		Just maybe you need this	
And I didn't mean to		You (18) this	
Lead you on		And I didn't mean to	
You were everything I wanted		Lead you on	
But I just can't finish what I've started		You were everything I wanted	
There's no room left here on my back		But I just can't finish what I've started	
It was damaged long ago		There's no (19) left here on my back	
Though you swear (6) you are true		It was damaged long ago	
I (7) (8)	my friends over you	Though you (20) that you are	true
My friends over you		I still pick my (21) over	
Please (9) me everything		You were everything I wanted	
That you think that I should know		But I just can't finish what I've started	
About all the plans you made		There's no room left (22) on my	[,] back
When I was nowhere to b	e found	It was (23) (24)	ago
And it's all (10)	to forget	Though you (25) that you are	true
That we still talk		I still (26) my friends over you	
It's just for fun, isn't it		My (27) (28)	you
It's my fault that it fell apa	rt		
Just maybe you (11)	this
