Sorry, Blame It On Me by Akon

I'm sorry that I went and added to your grief

Fill in the gaps

	I'm sorry that your son was once a thief
As life goes on I'm starting to learn more and more about	I'm sorry that I grew up way to fast
responsibility	I wish I would of listened and not be so bad
And I realize that (1) I do is	I'm sorry that your life turned out this way
affecting the people around me	I'm sorry that the feds came and (6) me away
So I want to take this time out to apologize for things that	I understand that there's some problems
I've done things that haven't occurred yet	And I'm not too blind to know
and things that they don't want to take responsibility for	All the pain you kept inside you
I'm (2) for the times that I left you home	Even though you might not show
I was on the road and you were alone	If I can't apologize for being wrong
I'm sorry for the times that I had to go	Then it's just a shame on me
I'm sorry for the fact that I did not know	I'll be the reason for your pain
That you were sitting home just wishing we	And you can put the blame on me
Could go back to when it was just you and me	Said you can put the blame on me
I'm sorry for the times I would neglect	Said you can put the blame on me
I'm sorry for the times I disrespect	Said you can put the blame on me
I'm sorry for the wrong things that I've done	You can put the blame on me
I'm sorry I'm not always there for my sons	I'm sorry that it took so long to see
I'm sorry for the fact that I'm not aware	But they were dead wrong trying to put it on me
That you can't (3) at night when I am not there	I'm sorry that it took so long to speak
Because I'm in the streets like everyday	But I was on tour with (7) Stefani
I'm sorry for the things that I did not say	I'm sorry for the hand that she was dealt
Like how you are the best thing in my world	And for the (8) that she felt
And how I'm so proud to call you my girl	She's just a little young girl trying to have fun
I understand that there's some problems	But daddy should of never let her out that young
And I'm not too blind to know	I'm sorry for Club Zen getting shut down
All the pain you kept inside you	I hope they manage better next (9) around
Even though you might not show	How was I to know she was underage
If I can't apologize for being wrong	In a 21 and older club they say
Then it's just a shame on me	Why doesn't anybody want to take blame
I'll be the reason for your pain	Verizon backed out disgracing my name
And you can put the blame on me	I'm just a singer trying to entertain
You can put the blame on me (4x)	Because I love my fans I'll take that blame
Said you can put the blame on me (3x)	Even though the blame's on you
You can put the blame on me	Even though the blame's on you
I'm sorry for the things (4) he put you through	Even though the blame's on you
And all the times you didn't know what to do	I'll take that blame from you
I'm sorry that you had to go and sell those bags	And you can put that (10) on me
Just trying to stay busy until you heard from dad	And you can put that blame on me
When you would rather be home with all your kids	You can put that blame on me
As one big family with love and bliss	You can put that blame on me
And even though pops treated us like kings	And you can put that blame on me
He got a second wife and you didn't agree	And you can put that blame on me
He got up and (5) you there all alone	
I'm sorry that you had to do it on your own
