

Fill in the gaps

I (1) my eyes	So I try to hold onto a time when nothing mattered
I try to see but I'm blinded by the (2) light	And I can't explain what happened
I can't remember how	And I can't (8) the things that I've done
I can't remember why	No, I can't
I'm lying here tonight	How could this happen to me?
And I can't stand the pain	I made my mistakes
And I can't make it go away	I've got no where to run
No, I can't stand the pain	The night goes on as I'm fading away
How (3) (4) happen to me?	I'm sick of this life
I made my mistakes	I just wanna scream
I've got no where to run	How could this (9) to me?
The night (5) on as I'm fading away	I made my mistakes
I'm sick of this life	I've got no where to run
I just wanna scream	The night goes on as I'm fading away
How (6) this happen to me?	I'm (10) of this life
Everybody's screaming	I just wanna scream
I try to make a sound but no one hears me	How could this happen to me?
I'm slipping off the edge	
I'm hanging by a thread	
I wanna (7) this over again
