Woke up to find			But there's this (5)	inside
I lost my mind			Parts of me drowned	
Lost heart, lost nerve			In perpetual tide	
I lost my favorite word			I (6) call names	
Emily			I wanna throw things around	
I take my cigarettes			But no bar can buy	
I give 'em a smoke			Forgiveness another round for	
(Oh god)			Emily	
My heart feels froze			Where does love go	
I've (1) (2)		it seems	If it can't find a home	
I've (3)	my favorite thi	ng	One moment here then gone	
Emily			With no (7)	address
Where does love go			Love no longer has a house	
If it can't find a home			Or residence in flesh	
One moment here then gone			I go to the bedroom	
With no forwarding address			Turn on the light	
Love no longer has a house			It's like an empty altar	
Or residence in flesh			No angel in sight	
Take the keys			Religion with no temple	
I get in the car			No (8) to take my v	worship to
To out run this			No god for my eyes to see	
Man I'd have to go (4)	far		No fruit to lay at the (9)	_ of
Where mercy wears lace			Emily	
And bottles are thieves			Gone	
Which of these took you from me?			Gone	
Emily
