

Fill in the gaps

Heya Tom, it's Bob from the office (1) the hall	All we (15) to do is eat (16) brains
Good to see you buddy, how've you been?	We're at an (17) here
Thing have (2) OK for me	Maybe we should compromise
Except (3) I'm a (4) now	If you open up the doors
I really wish you'd let us in	We'll all come inside and eat your brains
I think I (5) for all of us when I say I understand	I'd like to help you Tom
Why you folks might hesitate to submit to our demand	In any way I can
But here's an FYI	I (18) appreciate the way you're working with me
you're all gonna die screaming	I'm not a (19) Tom
All we want to do is eat your brains	Well, technically I am
We're not unreasonable	I guess I am
I mean, no one's (6) eat your eyes	I've got (20) meeting Tom
All we want to do is eat your brains	Maybe we could wrap it up
We're at an impasse here	I know we'll get to common ground somehow
Maybe we should compromise	Meanwhile I'll report back to my colleagues
If you open up the doors	Who were chewing on the doors
We'll all come inside and eat your brains	I guess we'll (21) this for now
I don't want to nitpick, Tom	I'm glad to see you take constructive
But is this really (7) plan?	(22) well
To spend your whole life locked (8) a mall?	Thank you for your time
Maybe that's OK for now	I know we're all busy as hell
But someday you'll be out of food and guns	And we'll put this (23) to bed
And then you'll have to make the call	When I bash your (24) open
I'm not surprised to see	All we want to do is eat your brains
You haven't (9) it through enough	We're not unreasonable
You (10) had the (11) for all that	I mean, no one's gonna eat your eyes
Bigger picture stuff	All we want to do is eat your brains
But Tom, that's what I do	We're at an (25) here
And I plan on (12) you slowly	Maybe we should compromise
All we want to do is eat (13) brains	If you (26) up the doors
We're not unreasonable	We'll all come (27) and eat your brains
I mean, no one's (14) eat your eyes
