## Change Is Hard by She & Him (Zooey Deschanel)

| I'm all (1) luck but what else could I be?           | Of new love                            |
|--|--|
| I know he's yours and he'll never belong to me again | So don't brag                          |
| I did him wrong                                      | Keep it to yourself                    |
| So don't brag  | I did him wrong                        |
| Keep it to yourself                                  | I was never no, (4) no, never enough   |
| I did him wrong                                      | But I can try, I can try to toughen up |
| I was never no, never enough                         | I (5) when they (6) me                 |
| But I can try, I can try to toughen up               | If he burns you, let him go            |
| I listened when (2) told me                          | Change is hard, I should know          |
| If he burns you, let him go                          | I should know                          |
| Change is hard, I should know                        | I should know                          |
| I should know  | l (7) know                             |
| I should know  | I (8) know                             |
| So I'll keep my head down                            | I should know                          |
| If you keep it quiet from now                        |  |
| On in the (3) I'd rather hear silence than the bell  |  |
