

Fill in the gaps

Please remedy my confusion
And thrust me back to the day
The silence of (1) seclusion
Brings night into all you say
Pull me down again
And (2) me (3) pain
I'm counting nocturnal hours
Drowned (4) in haunted sleep
Faint (5) of your powers
Leaks out to (6) you keep
Pull me (8) again
And (9) me into
There is (10) inside
This test I can't persist
Kept back by the enigma
No criterias demanded here
Deadly patterns made my wreath
Prosperous in (11) ways
Pale (12) in the corner

Pouring a (13) on (14) shoulder
Puzzled by shrewd innocence
Runs a thick (15) beneath
Ushered (16) inner graves
Nails (17) (18) the struggle
It is the end for the weak at heart
Always the same
A lullaby for the (19) who've (20) all
Reeling inside
My gleaming eye in your (21) reflects
Stare of primal regrets
You (22) your back and you (23) awa
Never again
Spiralling to the ground below
Like Autumn leaves left in the wake to fade away
Waking up to (24) sound again
And lapse (25) the ways of misery
