

Fill in the gaps

Please remedy my confusion
And (1) me back to the day
The (2) of your seclusion
Brings night into all you say
Pull me down again
And guide me into pain
I'm counting nocturnal hours
Drowned visions in (3) sleep
Faint flickering of your powers
Leaks out to (4) (5) you keep
Pull me down again
And guide me into
There is failure inside
This test I can't persist
Kept (6) by the enigma
No criterias demanded here
Deadly (7) made my wreath
Prosperous in your ways
Pale ghost in the corner

Pouring a caress on your shoulder
Puzzled by shrewd innocence
Runs a (8) tide beneath
Ushered into inner graves
Nails (9) from the struggle
It is the end for the weak at heart
Always the same
A lullaby for the ones who've lost all
Reeling inside
My gleaming eye in your necklace reflects
Stare of primal regrets
You turn your back and you walk away
Never again
Spiralling to the ground below
Like Autumn leaves left in the wake to fade away
Waking up to your sound again
And lapse into the ways of misery
