

## Fill in the gaps

| Without you I cannot confide in anything            |
|---|
| The hope is pale (1) in light of dreams you bring   |
| Summer's gone, the day is done soon (2) the night   |
| Biding time, leaving the (3) and out of sight       |
| One moonlit (4) on the wall                         |
| Disrupted in its own creation                       |
| Veiled in the (5) of this fall                      |
| Is this the end manifestation                       |
| It runs in me, your poison seething in my veins     |
| This (6) is old and stained by late September rains |
| A (7) word (8) me would be the first for you        |
| The (9) is long but I'll go on inside and through   |
| One moonlit shadow on the wall                      |
| Disrupted in its own creation                       |
| Veiled in the darkness of this fall                 |
| Is this the end manifestation                       |
| Patterns in the Ivy                                 |
