

Fill in the gaps

This pretty face by Amy Macdonald

I don't care	I can't (8) believe it anymore
Who does her hair or	What happened to believing
What clothes she wears	That beauty's in the eye of the beholder
I don't care if it's YSL	You'll never know who you'll meet on your way to the top
I don't (1) if it's Chanel	You'll probably see them again
What matters to me is a strong belief	When your fame starts to drop
All this beauty is skin deep	Down down, I'll meet you on the ground
Don't care about hair, don't care about eyes	It's no good with your hair and your shiny blue eyes
It's (2) what's inside	It's no good when you finally start to realize
You'll (3) know who you'll meet on your way to	I need something more
the top	This pretty face don't work no more
You'll probably see them (4)	You'll never (9) who you'll meet on your way to the
When your fame starts to drop	top
Down down, I'll (5) you on the ground	You'll probably see them again
It's no good with (6) hair and your shiny blue eyes	When your (10) starts to drop
It's no good when you finally start to realize	Down down, I'll meet you on the ground
I (7) something more	It's no good with your hair and your shiny blue eyes
This pretty face, don't work no more	It's no good when you finally start to realize
What happened to achieving	I need something more
What happened to believing in yourself	This pretty face, don't work no more
Why listen to the musings of someone, somebody else
