

Fill in the gaps

When all of your (1) and all of my flaws	I can't (14) it, I can't fill it
Are (2) out one by one	There's a hole in my soul
A wonderful part of the mess that we made	Can you fill it? Can you fill it?
We pick ourselves undone	You have always worn your flaws upon your sleeve
All of your (3) and all of my flaws	And I have (15) buried (16) deep
They lie (4) hand in hand	beneath the ground
Ones we've inherited, ones (5) we learned	Dig them up, let's finish what we've started
They pass from man to man	Dig them up, so nothing's left untouched
There's a hole in my soul	When all of your flaws
I can't fill it, I can't fill it	And all of my (17) are counted
There's a hole in my soul	When all of (18) flaws
Can you (6) it? Can you fill it?	And all of my flaws are counted
You have always worn your flaws upon your sleeve	You have always (19) your flaws upon your sleeve
And I (7) always (8) them	
(9) beneath the ground	And I (20) always buried them deep
Dig them up, let's (10) (11) we've	(21) the ground
started	Dig (22) up, let's finish what we've
Dig them up, so nothing's (12) untouched	(23)
All of your flaws and all of my flaws	Dig them up, so nothing's left untouched
When they have (13) exhumed	All of (24) flaws and all of my (25)
We'll see that we need them to be who we are	Are laid out one by one
Without them we'd be doomed	Look at the wonderful mess (26) we made
There's a hole in my soul	We pick (27) undone
