## We ll be coming back by Calvin Harris

We took it all apart	(11) had to draw the line
But I'm wishing I'd stayed	We'll be coming back for you one day
In the back room something I heard you say	We'll be coming (12) for you one day
We didn't (1) to call it too early	I don't even care if I know you
Now it seems a world away	Out of our minds
But I miss the thing	Had to leave it all behind
Are we (2) gonna feel the same?	We'll be coming back for you one day
Standing in the (3) till it's over	We'll be (13) back for you one day
Out of our minds	Gonna rise, gonna fool
Someone had to draw the line	Getting pulled apart
We'll be coming (4) for you one day	And we all do it all because it stole our hearts
We'll be coming back for you one day	(14) light up the skies, so ignore the stars
I don't even (5) if I know you	And we all do it all (15) it (16)
Out of our minds	our hearts
Had to leave it all behind	Standing in the light (17) it's over
We'll be (6) back	Out of our minds
We'll be coming (7) for you one day	Someone had to draw the line
You can see it from afar	We'll be (18) back for you one day
We were riding that wave	We'll be coming back for you one day
Blinded by the lights, and it's (8) not	I don't (19) care if I (20) you
great	Out of our minds
We didn't want to call it too early	Had to leave it all behind
Now it seems a (9) away	We'll be (21) back for you one day
But I miss the thing	We'll be coming back for you one day
Are we ever gonna feel the same?	
(10) in the light till it's over	
Out of our minds
