

Fill in the gaps

See you again by Carrie Underwood

(1) goodbye, turned around	I will (11) you with me
And you were gone, gone, gone	Till I see you again
Faded into the (2) sun	Sometimes I feel my heart is breaking
Slipped away but I won't cry	But I stay (12) and I hold on because I
(3) I know I'll (4) be lonely	know
For you are the (5) to me	I (13) see you again
You are the (6) I follow	(14) is not where it ends
I will see you again	I will carry you (15) me
(7) is not where it ends	I will see you again
I will carry you with me	(16) is not where it ends
Till I see you again	I will carry you with me
I can hear those echoes in the (8) at night	Till I see you again
(9) me back in time	(17) I see you again
Back to you in a (10) far away	(18) I see you again
Where the water meets the sky	(19) I see you again
The thought of it makes me smile	Said goodbye, (20) around
You are my tomorrow	And you were gone, gone, gone
I will see you again	
This is not where it ends
