I wish I could tell you by ChiÃ¶le Howl

I don't ever wear that dress
It's just collecting dust
I see the lighter that we shared
It's just begun to rust
I should've let you know but she was so much better
But if I let you know would that make you forget her?
I wish I could tell you but I just run and hide
I wish I could tell you but it's a thorn in my side
If I could find the words to say
Maybe this pain would go away
If I could find the words to say
We could move on, we could (1)_____ on now
It gets a little hard to sleep knowing you were here
This (2)_____ guy's good for me but you won't
disappear
I lost my breath and stumbled over the idea of you
But it never (3)_____ up with the reality of what you
do
I wish I could tell you but I just run and hide
I wish I could tell you but it's a thorn in my side
If I could find the (4)_____ to say
Maybe this (5)_____ would go away
If I could find the words to say
We could move on, we could move on now
You're (6)_____ with my mind

I'm sick of hearing you pretending you care
But never going to apologize
I know you're lying through your teeth
But you're swearing on your life
And there's no language that I know
To make you understand
I'm letting you go
I wish I could tell you but I just run and hide
I wish I could tell you but it's a thorn in my side
If I (7)_____ find the words to say
Maybe this pain would go away
If I could find the words to say
We could move on, we could move on now
Move on, move on now
I (8)_____ I could tell you
Move on, move on now
I wish I could tell you
Move on, move on
I (9)_____ I could (10)_____ you but I just move on
