I wish I could tell you by ChiĀle Howl

I don't ever wear that dress
It's just collecting dust
I see the lighter that we shared
It's just begun to rust
I should've let you know but she was so much better
But if I let you know would that make you forget her?
I wish I could tell you but I just run and hide
I wish I could tell you but it's a thorn in my side
If I could find the words to say
Maybe this pain would go away
If I could find the words to say
We could move on, we could move on now
It gets a little hard to sleep knowing you were here
This other guy's good for me but you won't disappear

I wish I could tell you but I just run and hide
