I wish I could tell you by ChiÃ¶le Howl

I don't ever wear that dress
It's just collecting dust
I see the lighter that we shared
It's just begun to rust
I should've let you know but she was so much better
But if I let you know would that make you forget her?
I wish I could tell you but I just run and hide
I wish I could tell you but it's a thorn in my side
If I could find the words to say
Maybe this pain would go away
If I could find the words to say
We could move on, we could move on now
It gets a little hard to sleep knowing you were here
This other guy's good for me but you won't disappear
I lost my breath and stumbled over the idea of you
But it never caught up (1)_____ the reality of what you
do
I wish I (2)_____ tell you but I (3)_____ run and
hide
I wish I could tell you but it's a (4)_____ in my side
If I could find the words to say
Maybe this pain would go away
If I could find the words to say
We could move on, we could (5)_____ on now
You're playing with my mind

I'm sick of hearing you pretending you care
But (6)_____ going to apologize
I know you're lying through your teeth
But you're swearing on your life
And there's no language that I know
To make you understand
I'm letting you go
I wish I could tell you but I just run and hide
I wish I could tell you but it's a thorn in my side
If I could find the words to say
Maybe this pain would go away
If I (7)_____ find the words to say
We (8)_____ (9)_____ on, we could move on
