

Fill in the gaps

Sing by Gary Barlow & The Commonwealth Band

Some words they can't be spoken only sung	(3) it louder, sing it clearer
So hear a thousand voices shouting love	Knowing everyone will hear you
There's a place, there's a time	Make some noise, (4) your voice tonight
In this life when you sing what you are feeling	Sing it stronger, sing together
Find your feet, stand your ground	Make this moment last forever
Don't you see right now	Old and young shouting love tonight
The (1) is listening to what we say?	Some words (5) can't be spoken only sun
Sing it louder, sing it clearer	To hear a thousand (6) shouting love
Knowing everyone will hear you	And light and hope
Make some noise, find your voice tonight	(7) sing, just sing
Sing it stronger, sing together	Just sing, just sing
Make this moment last forever	Come all and sing it louder, sing it clearer
Old and young shouting love tonight	Knowing everyone will (8) you
To sing we've had a lifetime to wait	Make (9) noise, find your voice tonight
And see a thousand faces celebrate	Sing it stronger, sing together
You brought hope, you brought light	Make this moment last forever
Conquered fear, no it wasn't (2) easy	Old and young shouting love tonight
Stood your ground, kept your faith	Hear a thousand voices shouting love
Don't you see right now	
The world is listening to what we say?
