

## Fill in the gaps

## Sing by Gary Barlow & The Commonwealth Band

Some words they can't be spoken only sung		Sing it louder, sing it clearer
So hear a thousand voices shouting love		Knowing everyone will hear you
There's a place, there's a time		Make some noise, find your voice tonight
In this life when you sing what you are feeling		Sing it stronger, sing together
Find your feet, stand your ground		Make (5) moment last forever
Don't you see right now		Old and young shouting love tonight
The world is listening to what we say?		Some words they can't be spoken only sung
Sing it louder, sing it clearer		To hear a thousand voices shouting love
Knowing everyone will hear you		And light and hope
Make some noise, find your voice tonight		Just sing, just sing
Sing it stronger, sing together		Just sing, just sing
Make (1)	_ moment last forever	(6) all and (7) it louder, sing it cleared
Old and (2)	shouting love tonight	Knowing everyone (8) hear you
To sing we've had a lifetime to wait		Make some noise, find your voice tonight
And see a thousand faces celebrate		(9) it stronger, sing together
You brought hope, you brought light		Make this moment last forever
(3)	fear, no it wasn't always easy	Old and young shouting love tonight
Stood your ground, kept your faith		Hear a thousand voices shouting love
Don't you see righ	nt now	
The (4)	is listening to what we say?
