

Bright lights, big city going to my head

## Fill in the gaps

Woke up, woke up in New York City lying on the floor	I don't care no, because you don't care, no
Just outside of Mercy's West 54, well	Get lost in (6) city trying to find myself
You (1) know my (2) by the end of	I wind up, good different persons came down
the night yeah	(7) else I know
You (3) know my name by the end of the night,	It ain't right but this song in my head, oh
well	I'm surprised tha I'm still alive, I (8) be dead
Bright lights, big city going to my head	(9) lights, big city going to my head
Bright lights, big city going to my head	Bright lights, big city (10) to my head
Bright lights, big city going to my head	Bright lights, big city going to my head
I don't care no, because you don't care, no	I don't care no, because you don't care, no
Stuck off with the bottle ended it up with the bottle	You gonna know my name
Taking shots, waiting on the morrow	You gonna know my name
Trying to fill up, was hollow	You gonna know my name
You gonna (4) my name	You gonna know my name by the end of the night, well
You gonna (5) my name	
Bright lights, big city going to my head	
Bright lights, big city going to my head
