

Fill in the gaps

soldier

(1) did all the people go?	I'll get it if you (18) it
They got (2) (3) the lights	I'll search if you can't see it
(4) low	You're thirsty, I'll be rain
I'll get you through it nice and slow	You get hurt, I'll take your pain
(5) the world's spinning out of control	I (19) you don't believe it
Afraid of what (6) might lose	But I said it and I still mean it
(7) get scraped or they (8) get	When you heard what I told you
bruised	When you get worried I'll be (20)
You could beg them, what's the use?	My aim is so true
That's why it's called "a moment of truth"	I (21) show you
I'll get it if you need it	I'll try forever
I'll search if you don't see it	I'm never gonna say "surrender"
You're thirsty, I'll be rain	I'll get it if you need it
You get hurt, I'll take (9) pain	I'll search if you can't see it
I know you don't believe it	You're thirsty, I'll be rain
But I (10) it and I still mean it	You get hurt, I'll take your pain
When you heard (11) I told you	I know you don't believe it
When you get (12) I'll be your soldier	But I (22) it and I still mean it
Funny when times get hard	When you heard what I told you
At the (13) moment	When you get worried I'll be your soldier
When you're supposed to charge	I'll be your soldier
Always on the (14) yard	Well, I'll be, oh, I'll be your soldier
Oh, they feel their feet getting cold	I'll be your soldier
Hiding here, (15) there	
Find them underneath the stairs	
(16) hiding everywhere	
Trying to be (17) like a stone
