

## Fill in the gaps

Bitten by the wind on a hard hard day	Hide me safe away
And God I really want you to stay	I wanna see (12) painted an invisible grey
Bitten by (1) and a burning fear	(13) me to the years
That has smeared us both on the table	And Iwould make (14) harmless as a drawn
There are too many people in this street	on tear
There are too many eyes to meet	Please don't hold me in (15) (16)
So I hold you (2) and I feel you listless	Like a heavy stone
Shaking on the edge of your seat	I am carrying my cold heart home
Hide me (3) away	I am carrying my cold (17) home.
I wanna see myself painted an invisible grey	Your face has followed me home
Feed me to the years	(18) unwanted grace I leave you
And I would make (4) harmless as a drawn	(19) and
on tear	We (20) never make a perfect piece to fit
And please don't hold me in (5) (6)	We will remain unfinished (21) as we say:
(7) a heavy stone	Hide me safe away
I am carrying my (8) heart home	I wanna see myself painted an invisible grey
Trapped by a breath and hit my head	Feed me to the years
Like a thousand (9) from the sky	And (22) make myself
And I saw you choke as the last bridge broke	(23) as a drawn on tear
And our fingers waved goodbye	And please don't (24) me in your (25)
And there are too many towns stumbling by	Like a heavy stone
And there are too many hands to untie	(bis)
So leave it (10) by the tincan chairs	I am carrying my (26) (27) home
In the pavement (11) our lies	I am carrying my cold heart home
