Nothing To Fear by Chris Rea

Fill in the gaps

I feel your heat in (1) whispers
The wind is cold around (2) moon
It's getting hard to keep our distance
I know your time is coming soon
Don't point your dream on my horizon
Don't take your (3) too far from home
Please don't forget we're not each other
Each soul has black (4) of his own
I see you dancing
Your song is clear
You've got to show me, got to show me
There's nothing to fear
Nothing to foor
Nothing to fear
I (5) my loved (6) you have yours
