

## Fill in the gaps

Well, all the parties on the streets are talking	You (7) be tired, but I'm not
(1) mannequins sleeping in the	I don't know why you don't take me downtown
lights	Like you got anywhere better to be
We used to smoke while we were jaywalking	You talk it up and give me the go round, round
Like it was your birthday every other saturday night	Like a good time tease
Knew the band	I'm only counting on your cancellation
So we (2) our cover	(8) I should be counting on you at my door
Wrote our names on the bathroom tiles	Did you forget about how we ran around
We never dressed to impress all the others	I don't know why you don't take me downtown anymore
They (4) let us in on our laid back kind of style	I don't know why you don't take me downtown
But boy you know it's been a while	Like you got anywhere better to be
I don't know why you don't take me downtown	You talk it up and give me the go round, round
Like you got anywhere better to be	Like a good time tease
You talk it up and give me the go round, round	I'm only counting on (9) cancellation
Like a good time tease	When I should be counting on you at my door
I'm only counting on your cancellation	Did you forget about how we ran around
When I should be counting on you at my door	I don't know why you don't take me downtown anymore
Did you (5) about how we ran around?	Oh anymore
I don't know why you don't take me downtown anymore	Yeah, I don't know why you don't take me downtown
Oh anymore	I don't know why you don't take me downtown anymore
I got some platforms (6) in the corner	I (10) don't get it
They wanna stroll on a city sidewalk	
I got a dress that'll show a little uh uh	
But you ain't getting uh uh	
If you don't come pick me up, show me off
