Fill in the gaps

Bikes by Lucy Rose

I fall asleep in front of the TV
So, I forget what I'm thinking
Oh don't you (1)_____ know?
Is it any easier?
Oh don't you wanna know?
Is it fun to close your eyes?
We're going round and round
And up and down
Turning something inside out
We're driving from the backseat
You're holding on too tightly
We're going round and round
And up and down
Turning something inside out
We're driving from the backseat
You're (2)_____ on too tightly
The (3)_____ they merge
They scream and shout
I watch my mind
Try and work things out
I think it's clear
But three days later it's wrong
Oh don't you (4)_____ know?
Is it any easier?
Oh don't you wanna know?
Is it fun to close your eyes?
We're going round and round
And up and down
(5)_____ (6)_____ inside out
We're driving from the backseat
You're (7)_____ on too tightly

We're going round and round
And up and down
Turning something inside out
We're driving from the backseat
You're holding on too tightly
The colours they merge
They scream and shout
Listen up listen here
Everybody scream out loud
Listen up listen here
Everybody scream out loud
Listen up (8)_____ here
Everybody scream out loud
Listen up listen here
Everybody scream now
We're going round and round
And up and down
Turning something (9)_____ out
(bis)
We're driving from the backseat
You're holding on too tightly
We're going round and round
And up and down
Turning something inside out
We're driving from the backseat
You're holding on too tightly
We're driving from the backseat
You're holding on too tightly
