Diamonds And Rust by Judas Priest

I'll be damned, here comes your ghost again
But that's not unusual
It's just that the moon is full
And you decided to call
And here I sit, hand on the telephone
Hearing the voice I'd known
A couple of light years ago
Heading (1)_____ for a fall
But we both know what memories can bring
They bring diamonds and rust
Yes we both know what memories can bring
They bring diamonds and rust
Now I see you (2)_____ all around and snow in
your hair
Now we're smiling out the (3)_____ of the crummy
hotel over Washington Square
Our breath comes on white clouds, mingles and hangs in the
air
Speaking strictly for me, we (4)_____ could've died
(5)_____ and there
Now you're telling me you're not nostalgic

Then give me another word for it
You were so (6)_____ (7)_____ words
And at keeping things vague
'Cause I need some of that vagueness now
It's all come back too clearly
Yes, I love you dearly
And if you're offering me diamonds and rust, I've already paid
But we both know what memories can bring
They bring diamonds and rust
Yes we (8)_____ know what memories can bring
They bring (9)_____ and rust
Diamonds, Diamonds and Rust
Diamonds, Diamonds and Rust
Diamonds, Diamonds and Rust
Don't want no more diamonds, diamonds and rust

Answer

1. straight
2. standing
3. window
4. both
5. then
6. good
7. with
8. both
9. diamonds
