Fill in the gaps

Diamonds And Rust by Judas Priest

I'll be damned, here comes your ghost again	Then give me another word for it
But that's not unusual	You were so good with words
It's just that the moon is full	And at keeping things vague
And you decided to call	'Cause I need some of that vagueness now
And here I sit, hand on the telephone	It's all come back too clearly
Hearing the voice I'd known	Yes, I love you dearly
A (1) of light (2) ago	And if you're offering me diamonds and rust, I've already paid
Heading straight for a fall	But we (7) know what (8) car
But we both (3) what memories can bring	bring
They bring (4) and rust	They (9) diamonds and rust
Yes we both know what memories can bring	Yes we both (10) what memories can bring
They bring (5) and rust	They bring diamonds and rust
Now I see you standing all around and snow in your hair	Diamonds, Diamonds and Rust
Now we're smiling out the window of the crummy hotel over	Diamonds, Diamonds and Rust
Washington Square	Diamonds, Diamonds and Rust
Our breath comes on (6) clouds, mingles and	Don't want no more diamonds, diamonds and rust
hangs in the air	
Speaking strictly for me, we both could've died then and there	
Now you're telling me you're not nostalgic
