Diamonds And Rust by Judas Priest

I'll be damned, here comes your ghost again

But that's not unusual

It's just that the moon is full

And you decided to call

And here I sit, hand on the telephone

Hearing the (1)_____ I'd known

A couple of light years ago

Heading straight for a fall

But we both know what memories can bring

They bring diamonds and rust

Yes we both know what memories can bring

They bring diamonds and rust

Now I see you standing all (2)_____ and snow in your hair

Now we're smiling out the window of the crummy hotel (3)_____ Washington Square

Our breath comes on white clouds, mingles and hangs in the air

Speaking strictly for me, we both could've died then and there

Now you're telling me you're not nostalgic

Then give me another (4)_____ for it

You (5)_____ so good with words

And at keeping things vague

'Cause I need some of that vagueness now

It's all come (6)_____ too clearly

Yes, I love you dearly

And if you're (7)_____ me diamonds and rust,

I've already paid

But we both know what memories can bring

They bring diamonds and rust

Yes we (8)_____ know what memories can bring

They bring (9)_____ and rust

Diamonds, Diamonds and Rust

Diamonds, Diamonds and Rust

Diamonds, (10)_____ and Rust

Don't want no more diamonds, diamonds and rust

Fill in the gaps

Answer

1. voice
2. around
3. over
4. word
