

When you sing to me

## Fill in the gaps

## Soundtrack of my summer by Mike Viola

A dreamer who's forgotten how to dream	(5) crash on the beach
A singer when nobody's listening	You will be the soundtrack of my summer
You're an optimist	Baby, you don't have to be a star
You think (1) everything works out	I will hear your voice in three part harmony
You're a rising sun	When I'm alone driving in my car
Setting (2) to the clouds	A dreamer
You will be the soundtrack of my summer	The kind that I've been searching for
Baby, you don't have to be a star	A dreamer
I will (3) your voice in three part harmony	(6) left me wanting more
When I'm alone driving in my car	You will be the soundtrack of my summer
I was alright	Baby, you don't have to be a star
Until you (4) along	I will hear your (7) in three part harmon
To breath new life	(8) I'm (9) driving in my car
Into my tired songs	You will be the soundtrack of my summer
When you sing to me	You will be the soundtrack of my
