When We Stand Together by Nickelback

One more depending on a prayer	We must stand together
And we all look away	There's no getting even
People pretending everywhere	Hand in hand forever
It's just another day	That's when we all win
There's bullets flying through the air	That's, that's, that's (6) we all win
And they (1) carry on	That's, that's, that's when we all win
We watch it happen over there	The right thing to guide us
And then just turn it off	Is right here, inside us
We (2) together	No one can divide us
There's no getting even	When the light is (7) on
Hand in hand forever	But just like a heartbeat
That's when we all win	The drumbeat (8) on
That's, that's, that's when we all win	And the drumbeat carries on
That's, that's, that's (4) we all win	Just like a heartbeat
They tell us everything's allright	We (9) stand together
And we just go along	There's no getting even
How can we (5) asleep at night?	Hand in hand forever
When something's clearly wrong	That's when we all win
When we could feed a starving world	That's, that's, that's when we all win
With what we throw away	That's, that's, that's when we all win
But all we serve are empty words
