

Fill in the gaps

When We Stand Together by Nickelback

One more depending on a prayer	We (16) stand together
And we all look away	There's no getting even
People (1) everywhere	Hand in hand forever
It's (2) day	That's (17) we all win
There's bullets flying (4) the air	That's, that's (18) we all win
And they still carry on	That's, that's, that's when we all win
We watch it (5) over there	The right thing to guide us
And then (6) turn it off	Is (19) here, inside us
We (7) (8) together	No one can divide us
There's no (9) even	When the (20) is leading on
Hand in hand forever	But just (21) a heartbeat
That's when we all win	The drumbeat carries on
That's, that's (10) we all win	And the drumbeat carries on
That's, that's when we all win	Just like a heartbeat
They tell us everything's allright	We (22) together
And we (11) go along	There's no (24) even
How can we fall (12) at night?	Hand in (25) forever
When something's clearly wrong	That's (26) we all win
When we could feed a (13) world	That's, that's, that's when we all win
With what we throw away	That's, that's, that's when we all win
But all we (14) are empty words	
That always (15) the same
