

Fill in the gaps

I stared up at the sun			
Thought of all other people			
Places and things I (1) loved			
I stared up just to see			
(2) all (3) faces, you were the one			
next to me			
You can feel the (4) start to tremble			
Washing (5) you (6) out to see you			
You can see your life out of the window tonight			
If I (7) (8) tonight			
It'll be by your side			
I lose (9) tonight			
If I lose myself tonight			
It'll be you and I			
(10) myself tonight			
I (11) up with the sun			
(12) of all other people			
(13) and things I've loved			
I woke up (14) to see			
With all other faces, you were the one next to me			
You can feel the lights start to tremble
