

## Fill in the gaps

All these kind of places		And I sit and pray		
Make it seems like (1) been a	ages	They (5) fee	el my strife	
And tomorrow sun with buildings (2)	n with buildings (2) the sky		But then my partner called to say	
I (3) this country dearly		The pension funds were gone		
I can feel the latter clearly		He made some bad investments		
But never thought I'd be alone to try		Now the counts are overdrawn		
Once I was outside Penn station		I took a walk		
Selling red and white carnations		Take a walk, take a walk, take a walk		
We were still alone, my wife and I		(bis)		
Before we married, saved my money		Honey, it's your son		
Brought my dear wife over		I think I (6)	just too much	
Now I work to bring my family stateside		We have taxes, we (7) bill		
Got off the boat, they stayed a while		We have a lifestyle to front		
Then scattered across the coast		And tonight I swear I'll (8) home		
Once a year I'll see them for a week or so at most		And we'll make love (9) we're young		
I took a walk		And tomorrow you'll cook dinner		
Take a walk, take a walk, take a walk		For the neighbors and their kids		
(bis)		We can rip apart the socialists		
Practice isn't perfect but the market cuts a loss		And all their damn taxes		
I remind myself (4) times could be much worse		You'll see I am no criminal		
My wife won't ask me questions		I'm down on both bad knees		
There's not so much to ask		I'm just too much a coward		
And she'll never flaunt around an empty purse		To admit when I'm in need		
Watch my mother lacking		I took a walk		
Just to stay a couple nights		Take a walk, (10)	a walk, take a walk	
And decided she would stay the rest of her life		(bis)		
I watch my little children				
Play same boardsame in the kitchen
