## Blurry by Puddle of Mudd

## Fill in the gaps

\_\_\_ to turn

Everything's so blurry and everyone's so fake	Well you shoved it in my face
And everybody's empty and everything is so messed up	This pain you gave to me
Preoccupied without you I cannot live at all	Can you take it all away?
My (1) world surrounds you, I stumble then I	Can you take it all away
crawl	Well you shoved it in my face
You could be my someone	Explain (20) to me
You could be my seed	Can you take it all away?
You (2) (3) I'll protect you from all of	Can you take it all away?
the obscene	Well you shoved it in my face
I (4) what you're doing, imagine where you	This pain you gave to me
are	No, nobody told me what you thought
There's oceans in between us but that's not very far	Nobody told me what to say
Can you (5) it all away?	Everyone showed you (21) to
Can you take it all away?	Told you (22) to runaway
(6) you shoved it in my face	Nobody told you (23) I hide
This (7) you (8) to me	Nobody told you what to say
Can you take it all away?	Everyone shows you where to turn
Can you (9) it all away?	Showed you (24) to runaway
Well you (10) it in my face	Can you take it all away?
Everyone is changing	Can you take it all away?
There's no one (11) that's real	Well you (25) it in my face
To make up (12) own ending	(26) again to me, no
And let me (13) just how you feel	(27) again to me
(14)	You take it all, take it all away
cannot live at all	Explain again to me
My whole (16) surrounds you I stumble	
(17) I crawl	
Then you (18) be my someone, you could be	
my seed	
You know that I'll save you (19) all of the unclean	
I wonder what you're doing I wonder where you are	
There's oceans in between us but that's not very far	
Can you take it all away?	
Can you take it all away?
