Brendan's death song by Red Hot Chili Peppers

If I die (1) I get it done, (2) you	A life of (16) love, it's no surprise
decide?	Like I said
Take my words and (3) them	You know I'm almost dead
Into signs (4) will survive	You know I'm almost gone
Because a long time ago	And when the drummer drums
I knew not to deprive	He's going to (17) my song
It's safe out (5) and now you're everywhere	To carry me along
Just like the skies	Let me live
You are love you are the love supreme	So when it's (18) to die
You are the rise	Even the Ripper cries
And when you (6) this	Let me die
You'll (7) it's (8) jam	So (19) it's time to live
It's your goodbye	Another son (20) rise
Like I said	Like I said
You (9) I'm almost dead	You know I'm almost dead
You know I'm almost gone	You (21) I'm (22) gone
And when the drummer drums	And when the boatman comes
He's going to play my song	To ferry me away
To carry me along	To where we all belong
Like I said	Like I said
You (10) I'm almost dead	You (23) I'm almost dead
You know I'm (11) gone	You (24) I'm almost gone
And when the (12) comes	Like I said
To ferry me away	You know I'm almost dead
To where we all belong	You know I'm almost gone
We all crossed when we were feeling lost	
It's just the tide	
(13) cried the day her lover died	
She (14) because he	
(15) her
