

Stay by Rihanna

Fill in the gaps

All along it was a fever
A cold sweat hot-headed believer
I threw my hands in the air
Said show me something
He said if you dare come a little closer
Round and around and around and around we go
Oh now (1)_____ me, now tell me now, tell me now, you
know
Not (2)_____ sure how to feel about it
Something in the way you move
Makes me feel like I can't live (3)_____ you
And it takes me all the way
I want you to stay
It's not much of a life you're living
It's not just something you take it's given
Round and around and around and around we go
Oh now (4)_____ me now, tell me now, tell me now, you
know
Not really sure how to feel about it
Something in the way you (5)_____

Makes me feel like I can't live without you
And it takes me all the way
Now I want you to stay
The reason I (6)_____ on
Because I need this hole gone
Funny you're the broken one
But I'm the (7)_____ one who needed saving
Because (8)_____ you never see the light
It's hard to know which one of us is caving
Not really sure how to (9)_____ about it
Something in the way you move
Makes me (10)_____ like I can't live without you
And it takes me all the way
I want you to stay, stay
I want you to stay
