Stay by Rihanna

All along it was a fever
A cold sweat hot-headed believer
I threw my hands in the air
Said show me something
He said if you dare (1)_____ a little closer
Round and (2)_____ and around and around we go

Oh now tell me, now (3)_____ me now, tell me now, you know

Not really sure how to feel about it
Something in the way you move
Makes me feel like I can't live without you
And it takes me all the way

I want you to stay

It's not much of a life you're living

It's not just something you take it's (4)_____

(5)_____ and (6)_____ and around and around we go

Oh now tell me now, tell me now, tell me now, you know

Not really sure how to feel about it

Something in the way you move

(7)_____ me feel like I can't live without you

And it takes me all the way

Now I want you to stay

The reason I hold on

Because I (8)_____ this hole gone

Funny you're the broken one

But I'm the only one who needed saving

Because when you never see the light

It's hard to know which one of us is caving

Not really sure how to feel about it

Something in the way you move

Makes me feel like I can't (9)_____ without you

And it takes me all the way

I want you to stay, stay

I (10)_____ you to stay
