

Fill in the gaps

All along it was a fever
A cold sweat hot-headed believer
I threw my hands in the air
(1) show me something
He said if you (2) come a (3)
closer
(4) and around and around and around we go
Oh now tell me, now tell me now, tell me now, you know
Not really sure how to feel about it
Something in the way you move
Makes me feel like I can't live without you
And it takes me all the way
I want you to stay
It's not much of a life you're living
It's not just something you take it's given
Round and around and (5) and around we go
Oh now (6) me now, tell me now, tell me now, you
know
Not really (7) how to feel about it
Something in the way you move

Makes me feel like I can't live without you	
And it takes me all the way	
Now I want you to stay	
The reason I hold on	
Because I need this hole gone	
Funny you're the broken one	
But I'm the only one who needed saving	
Because when you never see the light	
It's hard to know which one of us is caving	
Not really sure how to feel about it	
Something in the way you move	
Makes me feel like I can't live (8)	you
And it takes me all the way	
I want you to stay, stay	
I want you to stay
