Stay by Rihanna

All along it was a fever
A cold sweat hot-headed believer
I (1)_____ my hands in the air
Said show me something
He said if you dare come a little closer
Round and (2)_____ and around and
(3)_____ we go
Oh now tell me, now tell me now, tell me now, you know
Not really sure how to feel about it
Something in the way you move
Makes me feel like I can't (4)_____ without you
And it takes me all the way
I want you to stay
It's not (5)_____ of a life you're living
It's not just something you take it's given
(6)_____ and around and around and around we go
Oh now tell me now, tell me now, tell me now, you know
Not really sure how to feel about it
Something in the way you move

Makes me feel (7)_____ I can't live without you
And it takes me all the way
Now I want you to stay
The reason I hold on
Because I need this hole gone
Funny you're the broken one
But I'm the only one who needed saving
Because when you never see the light
It's hard to know which one of us is caving
Not (8)_____ (9)_____ how to feel about it
Something in the way you move
Makes me feel like I can't (10)_____ without you
And it takes me all the way
I want you to stay, stay
I want you to stay
