## When you say nothing (BSO Nothing Hill) by Ronan Keating

It's amazing how you can speak	You'll catch me whenever I fall
Right to my heart	Because you say the (6) when you say nothing at
Without saying a word, you can light up the dark	all
Try as I may, I can never explain	The smile on (7) face lets me know
What I hear when you don't say a thing	That you need me
The smile on your face lets me know	Because there's a (8) in your eyes
That you (1) me	Saying you'll never leave me
There's a truth in your eyes	And the touch of your hand says
Saying you'll never leave me	You'll catch me (9) I fall
The touch of your (2) says	Because you say the best when you say nothing at all
You'll catch me whenever I fall	You say the best when you say nothing at all
Because you say the best when you say nothing at all	You say the best when you say nothing at all
All day long I can (3) people	The smile on your face
Talking out loud	That look in your eyes
But when you hold me near	The touch of your hand
You can drown out the crowd	Let me know that you need me
Try as they may, they (4) never define	You say the best when you say nothing at all
What's (5) said between your heart and mine	You say the best when you say nothing at all
The smile on your face lets me know	The smile on your face
That you need me	That look in your eyes
There's a truth in your eyes	The touch of your hand
Saying you'll never leave me	Let me know that you need me
