

It's amazing how you can speak

You'll catch me whenever I fall

When you say nothing (BSO Nothing Hill) by Ronan Keating

Right to my heart	Because you say the best when you say nothing at all
Without saying a word, you can light up the dark	The smile on (4) face lets me know
Try as I may, I can never explain	That you need me
What I hear when you don't say a thing	Because there's a truth in your eyes
The smile on your face lets me know	Saying you'll (5) leave me
That you need me	And the touch of (6) hand says
There's a truth in your eyes	You'll catch me whenever I fall
Saying you'll never leave me	Because you say the best when you say (7)
The touch of your hand says	at all
You'll catch me whenever I fall	You say the best when you say nothing at all
Because you say the best when you say nothing at all	You say the best when you say nothing at all
All day long I can hear people	The smile on your face
Talking out loud	That look in your eyes
But when you hold me near	The (8) of your hand
You can drown out the crowd	Let me (9) that you need me
Try as they may, they could never define	You say the best when you say nothing at all
What's been said between your heart and mine	You say the best when you say nothing at all
The smile on (1) face lets me know	The smile on your face
That you (2) me	That look in your eyes
There's a truth in (3) eyes	The touch of your hand
Saying you'll never leave me	Let me (10) that you need me
The touch of your hand says
