

With You by Chris Brown
I need you boo
I gotta see you boo
And there's hearts all over the world tonight
Said there's hearts all over the world tonight
I need you boo
I gotta see you boo
And there's hearts all over the world tonight
Said there's hearts all over the world tonight
Hey lil mama, ooh you're a stunner
Hot little figure, yes you a winner, and
I'm so glad to be yours
You're a class of your own and
Ooh little cutie, when you talk to me
I swear the whole world stops
You're my sweetheart and
I'm so glad that you're mine
You are one of a kind, and
You (1) to me what I mean to you
And together baby there is nothing we won't do
'Cause if I got you
I don't need money
I don't need cars
Girl you're my heart
And oh, I'm into you and
Girl no one else would do

With every kiss and every hug

You make me fall in love And now I know I can't be the only one I bet there's hearts all over the world tonight With the love of their life who feel What I feel when I'm with you, (2)_____ you, with you, with you, with you... girl With you, with you, with you, with you...
