

The last time by Taylor Swift

Found myself at your door Just like all those times before I'm not sure how I got there All roads, they lead me here I imagine you at home, in your room, all alone And you open your eyes into mine And everything feels better Right before (1)_ ____ eyes I'm breaking And fast, no reasons why Just you and me This is the last time I'm asking you this Put my name at the top of your list This is the last time I'm asking you why You break my heart in the blink of an eye, eye, eye You find yourself at my door Just like all those times before You wear your (2)_____ apology But I was there to watch you leave And all the time to let you in Just for you to go again Disappear when you come back Everything is better And right (3)_____ your eyes I'm breaking

Fill in the gaps

And fast, nowhere to hide
Just you and me
(4) is the last time I'm asking you this
Put my name at the top of your list
This is the last (5) I'm asking you why
You break my heart in the blink of an eye, eye, eye
(6) is the last (7) you tell me I've got it
wrong
This is the last (8) I say it's been you all along
This is the last time I let you in my door
This is the last time I won't hurt you anymore
This is the last time I'm asking you this
Put my name at the top of your list
This is the last time I'm asking you why
You break my heart in the blink of an eye
This is the last time I'm asking you
Last time I'm (9) you
Last time I'm (10) you this
This is the last time I'm asking you
Last time I'm asking you
