The last time by Taylor Swift

Found myself at your door

Just like all (1)_____ times before

I'm not sure how I got there

All roads, they lead me here

I imagine you at home, in your room, all alone

And you open your eyes into mine

And (2)_____ feels better

Right before your eyes I'm breaking

And fast, no reasons why

Just you and me

This is the last time I'm asking you this

Put my (3)_____ at the top of your list

This is the last time I'm asking you why

You (4)_____ my heart in the blink of an eye, eye, eye

You find yourself at my door

Just like all those times before

You wear your best apology

But I was there to watch you leave

And all the time to let you in

Just for you to go again

Disappear when you (5)_____ back

Everything is better

And right (6)_____ your eyes I'm breaking

And fast, nowhere to hide

Just you and me

This is the (7)_____ time I'm asking you this

Put my name at the top of your list

This is the last time I'm asking you why

You break my heart in the blink of an eye, eye, eye

This is the last time you tell me I've got it wrong

(8)_____ is the last time I say it's been you all along

This is the last time I let you in my door

This is the last time I won't (9)_____ you anymore

This is the last time I'm asking you this

Put my name at the top of your list

This is the last time I'm asking you why

You break my heart in the blink of an eye

This is the last time I'm asking you

Last time I'm asking you

Last (10)_____ I'm asking you this

This is the last time I'm asking you
