

Found myself at your door

Fill in the gaps

Just like all those times before
I'm not sure how I got there
All roads, they lead me here
I imagine you at home, in your room, all alone
And you (1) your eyes (2) mine
And everything (3) better
(4) before (5) eyes I'm breaking
And fast, no reasons why
Just you and me
This is the last (6) I'm asking you this
Put my name at the top of (7) list
This is the last time I'm asking you why
You break my heart in the (8) of an eye, eye,
eye
You find yourself at my door
(9) (10) all those times before
You wear (11) best apology
But I was there to (12) you leave
And all the (13) to let you in
Just for you to go again
Disappear when you come back
Everything is better
And right before your (14) I'm breaking

And fast, nowhere to hide
Just you and me
This is the (15) time I'm asking you this
Put my (16) at the top of (17) list
(18) is the last time I'm asking you why
You break my heart in the blink of an eye, eye, eye
This is the last time you tell me I've got it wrong
This is the last time I say it's been you all along
This is the (19) (20) I let you in my
door
This is the last time I won't hurt you anymore
This is the last time I'm (21) you this
Put my name at the top of your list
(22) is the (23) time I'm asking you
why
You break my (24) in the blink of an eye
(25) is the (26) time I'm asking you
(27) time I'm asking you
Last time I'm asking you this
This is the (28) time I'm asking you
Last time I'm asking you
Last time I'm asking you this
