It seems to be an awful lot for me to understand

And anything will do good so

The troubles and the mess I'm in

Either way I don't give a d\*mn

It's not on me, it's all on you

It's time to be a man

I can't (8)\_\_\_\_\_ the things I do

So you better quit your bitc\*ing

I can't believe her pretty feet

Think about what the people would say

It's not on me, it's all on you

It's not on me, it's all on you

I can't prescribe what you want me to

There comes a (9)\_\_\_\_\_ to speak the truth
