

## Fill in the gaps

### American Rejects by The All

<em>-So... tell me about your mother- (en algunas versiones)

</em>Doctor, doctor, could you please just give me

(1)\_\_\_\_\_

For the state I'm in?

I'm having trouble and society believe

I got it wrong again

I'm one month (2)\_\_\_\_\_

I don't think I'm (3)\_\_\_\_\_ (4)\_\_\_\_\_ my  
predicament

But if I jumped out of the window what (5)\_\_\_\_\_ she  
say?

It's not on me, it's all on you

We can't deny the (6)\_\_\_\_\_ we do

I can't believe her pretty feet

Walked over me, all over me

Help me, help me doctor

It seems to be an (7)\_\_\_\_\_ lot for me to understand

I know I'm not a specimen

The troubles and the mess I'm in

I should be dead

He said, let's all think

Then you've had all (8)\_\_\_\_\_ fun

It's (9)\_\_\_\_\_ to be a man

So you better (10)\_\_\_\_\_ (11)\_\_\_\_\_ bitc\*ing

Think about what the people would say

It's not on me, it's all on you

I can't prescribe (12)\_\_\_\_\_ you (13)\_\_\_\_\_ me to

You (14)\_\_\_\_\_ (15)\_\_\_\_\_ sleep, you better leave

He walked over me, all over me

Wait until tomorrow, and it's gone

So long

Wait until tomorrow, so long

And it's gone

Wait until tomorrow

You beg and steal and borrow till it's gone

-He don't got a lot but he's got all he needs-

I need someone to love

-And all he's got well it's all that he needs-

Somebody (16)\_\_\_\_\_ me because

I could hear the voices in the tube

To get me through anything

I do and anything (17)\_\_\_\_\_ do good by me

A little pill, a little thrill

Should I (18)\_\_\_\_\_ it? I think I will

And anything will do good so

As (19)\_\_\_\_\_ as it's always too good

Either way I don't give a d\*mn

What you people all say

All now boy

It's not on me, it's all on you

I can't (20)\_\_\_\_\_ the things I do

I can't believe her pretty (21)\_\_\_\_\_

(22)\_\_\_\_\_ over me, all over me

It's not on me, it's all on you

There comes a time to (23)\_\_\_\_\_ the truth

So you can see me when I leave

Walk over you, all over you yeah
