

## Fill in the gaps

### American Rejects by The All

<em>-So... tell me about your mother- (en algunas versiones)

</em>Doctor, doctor, could you please just give me something

For the state I'm in?

I'm (1)\_\_\_\_\_ trouble and society believe

I got it wrong again

I'm one month sober

I don't think I'm getting (2)\_\_\_\_\_ my predicament

But if I jumped out of the window (3)\_\_\_\_\_

(4)\_\_\_\_\_ she say?

It's not on me, it's all on you

We can't deny the (5)\_\_\_\_\_ we do

I can't believe her pretty feet

Walked over me, all over me

Help me, help me doctor

It seems to be an awful lot for me to understand

I know I'm not a specimen

The (6)\_\_\_\_\_ and the (7)\_\_\_\_\_ I'm in

I should be dead

He said, let's all think

Then you've had all your fun

It's (8)\_\_\_\_\_ to be a man

So you (9)\_\_\_\_\_ quit your bitc\*ing

Think about what the people would say

It's not on me, it's all on you

I can't prescribe what you want me to

You need some sleep, you (10)\_\_\_\_\_ leave

He walked over me, all over me

Wait until tomorrow, and it's gone

So long

Wait until tomorrow, so long

And it's gone

Wait until tomorrow

You beg and (11)\_\_\_\_\_ and borrow till it's gone

-He don't got a lot but he's got all he needs-

I (12)\_\_\_\_\_ (13)\_\_\_\_\_ to love

-And all he's got well it's all that he needs-

(14)\_\_\_\_\_ (15)\_\_\_\_\_ me because

I could hear the voices in the tube

To get me (16)\_\_\_\_\_ anything

I do and anything (17)\_\_\_\_\_ do good by me

A (18)\_\_\_\_\_ pill, a (19)\_\_\_\_\_ thrill

(20)\_\_\_\_\_ I take it? I (21)\_\_\_\_\_ I will

And (22)\_\_\_\_\_ will do good so

As long as it's always too good

Either way I don't give a (23)\_\_\_\_\_

What you (24)\_\_\_\_\_ all say

All now boy

It's not on me, it's all on you

I can't deny the things I do

I can't (25)\_\_\_\_\_ her pretty feet

Walked over me, all over me

It's not on me, it's all on you

(26)\_\_\_\_\_ comes a time to speak the truth

So you can see me when I leave

Walk over you, all over you yeah
